+ ETC also has a re-use component where some gently used devices are available at a greatly reduced cost.

^ There have been court decisions that required a state Medicaid program to provide a CCTV.

**Hearing aids are covered for children, as are all medically necessary medical services. For adults, hearing aids are covered for HealthNet eligibles who are blind or pregnant.

***There are some national hearing aid re-use programs that generally provide hearing aids at a greatly reduced cost.

MFP could pay for equipment for monitoring system, but not for monthly monitoring fee.

**** Organizations such as ArtsTech <http://www.artstech-kc.org/> and WITS <http://www.witsinc.org/> are two resources for recycled computers.

Ramp/Home Mod programs – USDA Rural Development, some Community Action Agencies and some City governments have programs.

Disability Specific Organizations – United Cerebral Palsy, MD Family Foundation, Friends of Man, Travis Roy Foundation, MO Council of the Blind, etc.
