His job: show us that being excited about something worthwhile is the answer to school blues and mother loss.  The film is aces at showing that being engaged in helping a living being leads to success and happiness.  A slew of other good-willed people help Winter, from like-minded friends to doctors to grandpas.  And that's the sweet point of the film, "Family is Forever".  With 2 crucial families needing a mother in one and a father in the other, "family" extends to the community that nurtures children, adults, and animals.  Not only does a Clearwater, Florida, marine rescue hospital need financial support to continue, so also does a crippled soldier and Winter.  This one has heart! So, pile the family into the car and come sit under the stars.  Concessions will be available.  Bring your chairs and blankets and enjoy this great movie.
